Rule 16 Scheduling Teleconference

07-45 MPT

Dear Laura T. Hay and Defendant Counsel:

In accordance with the Court's order of October 9, defendant counsels have conferred regarding dates in the Court's order. Pro Se, plaintiff Johnnie DuBose proposed the following:

1. The court should rule on plaintiff's motion for default judgment prior to an order granting a scheduling conference. The plaintiffs submitted a letter to the court requesting a settlement conference base upon defendant's failure to answer original complaint. The defendant's motion to dismiss is not a substitute for an answer for this complaint.
2. Discovery
 - a. The plaintiffs request that all discoveries be in the form of written interrogatives, request for production and request for admission. The plaintiff is not able to participate in electronic filing.

The letter submission to plaintiff was a 2 page document numbered 2, 3, a. c, d, and 9. Am I to assume that there were other submissions that are absent namely 4 thru 8 and in regards to discovery number 3b? Lastly, plaintiff submitted to defendant's a letter proposing a possible settlement of this matter. Am I to understand from the lack of response by defendant and unwillingness to resolve this matter? Also all defendants' case dispositive motions shall not be briefed prior to defendant's answer of the original complaint.

Sincerely,

Johnnie M. DuBose
